1. Cut out the face and back of the tiger drum.
2. Sticky tape a straw or a stick on the inside, like this
3. Sticky tape bead on string, either side of the stick, like this and back of head together.
4. glue both front

1. cut out the face and back of the tiger drum, after colouring them in.
2. sticky tape a straw or a stick on the inside, like this →
3. sticky tape bead on string, either side of the stick, like this
4. glue both front & back of head together
