

Why do you want to get involved in YAC?

What are some of your hobbies and interests?

What would you consider to be the three top issues or concerns facing young people in Campbelltown City Council?

One of the main roles of YAC is to represent other young people's views and concerns. How would you do this? (e.g. talk to friends, links to sporting groups, church, school)?

YAC meets at 6pm the first Monday of each month. Is there anything that might prevent you from attending monthly meetings?
