Kitchen Caddies

Are you using your kitchen caddy supplied by Council in 2020?

The caddy can be used to store food scraps (including dairy, meat, bones, seafood, fruit and vegetables), coffee grounds, tea bags and tissues for disposal in your green organics bin.

As over 30% of household waste is generally food waste, it is important to keep as much of this waste as we can out of blue landfill bins.

Campbelltown residents dispose of over 3,000 tonnes of food waste each year (the equivalent of several fridges' worth per person). When disposed of in your blue bin, this waste generates harmful gas when it rots untreated, and also costs ratepayers around 85% more to send to landfill. When disposed of via your green bin, food waste can be composted and turned into mulch.

Have you run out of compostable bags for your caddy? All households are entitled to one free roll of 150 compostable bags each year. Collect yours from Council's office during office hours.

Visit www.campbelltown.sa.gov.au/foodwaste for more information and troubleshooting tips.

Volunteer Week 2022

16-22 May 2022 is National Volunteer week, where we celebrate and acknowledge the generous contribution of our Volunteers.

Every day, Council's 250 Volunteers make the area an even greater place to live along with the many more Volunteers working in our local area. Council says 'Thank you' to all of our Volunteers.

We always welcome new Volunteers, so if you have some time to spare and would like to make a contribution to your local Community, visit www.campbelltown.sa.gov.au/volunteer to find out more, or contact Emina on eallegretti@campbelltown.sa.gov.au or 8366 9235.

Draft Cats By-Law 2022

Earlier this year, Council endorsed a draft Cats By-Law for consideration by the Dog and Cat Management Board.

Staff subsequently sought feedback from the Board, as well as the Animal Welfare League and RSPCA. Council will consider the feedback received and then we will consult with our Community.

If the By-Law is adopted, cat owners would be required to:

- Keep cat(s) within property boundaries between 9pm and 7am.
If a cat is away from home, the owner needs to keep it under effective control.
- From 1 January 2024, cats will need to be kept within property boundaries at all times unless under effective control.
- Registration of their pet(s) on the DACO (www.dogsandcatsonline.com.au) to help keep them safe and to comply with State legislation.
- If more than 2 cats are owned or kept on premises, arrange a permit from Council (note, permits won't be available until the by-law is adopted). Responsible pet owners will be able to keep more than 2 cats.
- Any cat that leaves an owner's premises must be identifiable by a collar around its neck and a tag with the name of its owner or person responsible for the cat and either the owner's address or telephone number.
- Cat cannot cause a nuisance through making noise, odour, defecation or urination on other people's premises to an unreasonable level.

Please refer to our website or call Customer Service on 8366 9222 to stay informed about consultation opportunities.

How would you like to see your rates spent?

Council will be consulting on the draft 2022/2023 Annual Business Plan and Budget from 5 to 27 May 2022.

We invite you to review the Plan and provide your feedback by:

- Completing a survey online at connect2.campbelltown.sa.gov.au or in hard copy (available from Council's Office, Campbelltown Library and the ARC Campbelltown from 5 May 2022)
- Sending an email to mail@campbelltown.sa.gov.au or letter to ABP Consultation, PO Box 1, Campbelltown SA 5074
- Attending our Talking Point public meeting on Thursday, 25 May 2022, from 6-7pm at Council's Chambers.

Further details are available about the consultation from connect2.campbelltown.sa.gov.au or by calling 8366 9222.

Campbelltown Pizza Festival

This festival is held at various pizza venues during July. Come and try new pizza creations or enjoy your favourite toppings while being entertained by the live music on offer.

July 2022

The festival details will be available in May at www.campbelltown.sa.gov.au/pizzafestival
