January 2024

Paradise Recreation Plaza is Open!

Located on Darley Road in Paradise (opposite Paradise Interchange), the brand-new Recreation Plaza caters for all 'humans on wheels' and those that like to be active.

Key features of the Recreation Plaza include a modern and contemporary design that caters for all ages, offering skaters a variety of ramps, bowls, and street-style elements as well as a BMX and pump track, ninja and parkour zone, play area and sports zone for ball sports.

To celebrate, we are hosting the official grand opening on Sunday 28 January, from 11am to 2pm at the Paradise Recreation Plaza. Celebrations will include demonstrations by experienced riders, live music, food vendors, family-friendly activities and an official opening ceremony. This event is free to the public and everyone is invited to attend and experience the fun and excitement of this new space.

Keeping your Cats Safe and Happy at Home

We would like to thank our community for your efforts in adapting to the Cats By-Law introduced on 1 June 2023, by ensuring your cat(s) remain within your property overnight.

While ensuring the safety of your cat(s), your efforts go a long way in minimising the impact domestic cats can have on the environment and your neighbours.

We would like to remind you that from 1 January 2024, the existing night-time curfew has been extended and your cat(s) now need to be kept on your property at all times.

Helpful tips on keeping your cat happy, safe and content and making your property cat-friendly can be found at <https://dogandcatboard.com.au/cats/keeping-cats-in>.

Find out what you need to know about the Cats By-Law and available grants at www.campbelltown.sa.gov.au/cats.

ARE YOU **BUSHFIRE** READY?

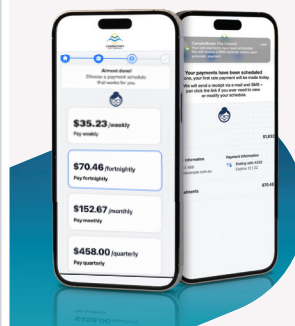

Throughout this Fire Danger Season, ensure your property is bushfire ready:

- Keep lawns and other grasses on your property no longer than 10cm/4inches
- Remove dead branches, leaves and undergrowth
- Prune tree limbs that are less than two metres above ground
- Remove bark, heavy mulch, wood piles and other flammable materials
- Keep your gutters clear
- Keep flammable chemicals in an enclosed shed away from your house
