Youth Services Guide

Campbelltown City Council is committed to providing a community where young people are valued and their wellbeing is supported. We understand that sometimes it can be difficult to find the right information or know where to start. This guide is designed to help young people and those caring for young people to connect with the appropriate information, services and support they need.

Local High Schools

- Charles Campbell College
- St Ignatius College
- Morialta High School
- Adelaide East Education Centre
