Thorndon Park Playground Now Open

The long awaited Thorndon Park playground is now open for our Community to explore!

The playground celebrates the diverse and plentiful bird life that Thorndon Park is known for with play zones inspired by flight and nesting, as well as habitat types and food sources. The new playground is designed around eight themes and associated features:

- Bird Song: Percussion play and wren (climbing) sculpture
- Bird Watching: Sky bridge and towers
- Eating: Digging, junior slides, heron (slide) sculpture
- Flying: Swings and liberty swing
- Gathering: Youth spaces, multi-purpose courts (basketball, netball and futsal), hammock, parkour and ninja warrior course, table tennis tables and smart bench
- Gliding/Treetops: Flying Fox and timber stilts/steppers
- Nesting / Plains: Nest cubby, trampolines, carousel, crane (swing) sculpture
- Wading/Waterways: Water play and hen (misting water) sculpture.

The playground is all-inclusive, with features for all ages and abilities to enjoy. Some of the accessible features include a liberty (wheelchair) swing, vision impaired table tennis table, wheelchair accessible trampolines, raised sand play area, raised water play area, an all-access carousel, Auslan signage, communication boards and accessible pathways. Thorndon Park also has an accessible toilet facility, including an adult size change table and hoist.

Come along for a visit and explore all that this new exciting play space has to offer!

The Thorndon Park Playground has also been co-funded by the Government of South Australia's Local Government Infrastructure Partnership Program.
