

Gul Zehra

*I trust in myself and
the person I am*

Gul migrated as a child with her family to Australia from Pakistan, where they were a targeted minority group. She has embraced all of the opportunities this move provided and has been a keen community participant and active volunteer on the Campbelltown Youth Advisory Committee and featured in the multicultural 'This is my Campbelltown' project. Gul is currently pursuing her studies to become a doctor.

*Surround yourself with the types
of people you aspire to be*
