Collaboration leads to the best outcome

Jenny was elected as the inaugural President of the Lochiel Park Community Garden, a role she has now held for more than 10 years. Jenny's enthusiasm, leadership and commitment has been an inspiration to the membership and to meeting their aims of growing fruit and vegetables in a sustainable way, sharing knowledge with the community and ensuring the garden becomes a focal point in the community. In 2023, Jenny was nominated for her valuable contribution to the community as part of the Campbelltown Council's Australia Day Awards.
