### Strategic Plan – Share Your Ideas

All Councils in South Australia are required to maintain and implement a Strategic Plan. Every four years, Councils are required to review their Strategic Plan directions.

Council is preparing to review its current Strategic Plan (available at [www.campbelltown.sa.gov.au/strategicplan](http://www.campbelltown.sa.gov.au/strategicplan)) and needs your help to ensure that the new Strategic Plan represents the future you want to see for our Community and the local area.

Throughout the month of August, we are seeking your ideas regarding Council's Vision, Mission and areas for Council to focus on for the next 4 years and beyond. Please complete and return the enclosed survey to Council, or complete it online at [connect2.campbelltown.sa.gov.au/strategicplan](http://connect2.campbelltown.sa.gov.au/strategicplan). Alternatively you are also welcome to provide us with feedback by email or letter. By participating in this consultation you will help set the future direction for our city AND have a chance to win a **\$50 Why Leave Campbelltown** voucher.

This information will be used to commence building a draft Strategic Plan for more community feedback in late 2023 / early 2024. Further to this, we will also be reviewing other key Plans that focus on Economic Development, the Environment, the Community, and Council owned Assets. We invite and encourage you to also get involved in these opportunities as they arise during the year.

### Communication Access Symbol Accreditation

We are proud to announce that Campbelltown City Council has recently been awarded the Communication Access Symbol.

The award recognises that Council completed an assessment and demonstrated that staff have the skills to successfully interact with people who have communication difficulties.

Communication access aims to create a world where everyone can get their message across everywhere, regardless of whether they have communication difficulties or not. This symbol helps community members identify places and services that are communication accessible. It gives people with communication difficulties confidence that at these places they will be treated with respect and as valued customers.

The Communication Access Symbol is now displayed at Campbelltown City Council's Offices and is listed on the Scope Directory of Communication Accessible Places.

### Fruit Crew

Do you have more fruit on your trees than you can use? The Campbelltown Fruit Crew can help! Prevent waste and call us to pick your excess fruit and we will donate it to local schools and organisations.

Call Sophie to collect your fruit or become a Fruit Crew Volunteer – 8366 9303.

### Connect with Council

Keep up to date with all the projects and initiatives run through Council and don't miss your opportunity to influence decision making by providing your thoughts, ideas and concerns through our community consultations. Together we can create change that matters to us all:
