Confidential Item

11.13 ICT Improvement

Cr Lakhani moved and Cr McLuskey seconded that Council:

- note the implications of cyber security risks and the recommendations from various suppliers and
- request Staff to implement the network segmentation necessary to minimise the risk and impact of a cyber attack as soon as practicable and
- allocate $22,000 (ex GST) at the First Budget Review 2024/2025 as a New Initiative for the installation of the Network Segmentation.
