Tastes of our Town

Celebrate the rich cultural tapestry of Campbelltown this July!

The Tastes of our Town Food Festival showcases the diverse and delicious cuisines that make our area so special. With a vast array of restaurants and take away venues to visit, you'll discover a menu as diverse as our community itself.

But it's not just about the food – enjoy lively entertainment, a welcoming community atmosphere, and a chance to connect with friends, family, and neighbours in a celebration of culture, flavour and fun.

How would you like to see your rates spent?

Each year we prepare an Annual Business Plan and Budget (ABP&B) that outlines the programs, services and projects we intend to deliver for our Community, along with proposed rate changes and the overall budget for the coming financial year.

Consultation opens on this year's ABP&B on Thursday 7 May 2026 and we would like to hear your thoughts on our proposed plans. Feedback will be analysed and reported to Council to inform budget allocations in 2026/2027.

Don't miss the chance to have your say on how rates are spent. Register now at connect2.campbelltown.sa.gov.au to be notified when consultation opens.

Enrol to vote

Later this year, elections will be held for a Mayor and 10 ward councillors for our area. Unlike the State election, voting in local elections is conducted by post and is not compulsory. However we encourage you to cast your vote as it's the best way to have your say about what happens in your local community.

Your council makes important decisions about your neighbourhood, including available services, roads, parks, libraries, sports facilities and much more.

To vote in council elections, you must be an Australian citizen and on the State electoral roll. If you live elsewhere but own property or business in this area, you can apply to be on Council's voters' roll.

Chief Executive Officer.*

Our Community

2026 Women of Campbelltown

Each year, the Women of Campbelltown project collects and shares the inspiring stories of 10 diverse local women, who are presented and celebrated at our annual International Women's Day event.

Read about the achievements, challenges, connections and contributions of our inspiring women at campbelltown.sa.gov.au/iwd

'Making My Mark' Mural

Last month we celebrated the opening of a new mural 'Making My Mark' at Paradise Recreation Plaza, created by local artist Oliver Mills.

Ollie lives with cerebral palsy and epilepsy and, together with his team of supporting artists, Henry

Jock Walker, Dave Court and Benen Hamon, completed a two-stage creative process to bring his artwork to life.

We're proud to support projects that celebrate creativity, community and inclusion. Be sure to visit Paradise Recreation Plaza to see Ollie's wall for yourself.

Mayor's Message

The Council set a Business Plan and Budget each year, taking several months to evaluate suggestions about both short and long term services.

Councillors set the priorities within the Strategic Plan framework, shared vision, and the Long Term Financial Plan.

One of the final steps is Community feedback before a final vote is taken. Please share your thoughts at connect2.campbelltown.sa.gov.au

Volunteers are the backbone of our Community. We celebrate National Volunteer Week, 18-24 May.

This year's theme, is 'Your Year to Volunteer'. If you're interested in volunteering with Council or within the community, visit campbelltown.sa.gov.au/volunteer

Community Stories

Campbelltown's Young Achievers

Congratulations to local residents Serena Xiao and Elaaf Gill who have recently been recognised for their achievements.

Serena is a passionate multilingual student who volunteers to support culturally and linguistically diverse communities. She was commended for her leadership in languages and cultures at the Citizen of the Year Awards.

Elaaf became a young carer at 13 after their father's passing, supporting their family's complex needs, and now advocates for support for young carers. They were celebrated as a Young Carer Award finalist at the SA Community Achievement Awards.

Creekside Art, Chill and Chat

In March, the first 'Creekside art, Chill and Chat' session was held at Brookside Cellars Community Arts Centre in Tranmere.

Inspired by a Council paint-and-sip event and brought to life by local resident Ann, the session wasn't about perfect brush strokes or polished pieces, it was about something far more meaningful: connection.

The group now comes together regularly to paint, relax and connect, with the door open to anyone who would like to join. Visit our website for this and more Brookside arts programs.

Let's get batteries out of bins

Electrical items and batteries must never be placed in your kerbside bins, as they can cause dangerous fires in collection trucks and facilities.

Last month, batteries placed in kerbside recycling bins caused two truck fires in Rostrevor. Luckily, the drivers were unharmed.

These incidents are serious. They put first responders, waste staff, and our community at risk, and almost always result in entire truckloads being dumped, lost recyclable materials and costly damage to vehicles and equipment.

Batteries, including products with embedded batteries, can be safely disposed of for free at Campbelltown Works Depot, Newton Road, Campbelltown as well as other nearby locations.
