E-bike and cargo bike rebate

The e-bike and cargo bike rebate is back! We're helping residents choose sustainable transport, with eligible residents able to claim up to \$400 back on an e-bike or up to \$500 back on a cargo bike (electric or non-electric) purchased for everyday transport.

This program encourages residents to reduce reliance on cars and enjoy healthier, low-emission travel options. Rebates are offered on a first-come, first-served basis and proof of residency is required.

Applications close 30 June 2027 or when funds are exhausted.

Fire danger season

Fire Danger Season generally runs from November to April, although these dates may change due to seasonal conditions.

Ensure your property is bushfire ready this season by maintaining lawns and other grasses on your property, keeping gutters clear, removing dead branches, leaves and other flammable materials.

To find out more about fire safety and restrictions visit campbelltown.sa.gov.au/fire or cfs.sa.gov.au

Mayor's Message

One of the things I value most about Campbelltown is the strong sense of community that exists across our city. Every day, I see residents, volunteers, sporting clubs, schools and community groups making a positive contribution and helping create a place where people feel connected and supported.

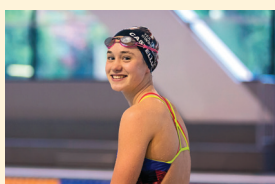

Recent achievements by local residents on the national and international stage remind us that great things can grow from local communities. Whether it's excellence in sport, service to others, artistic pursuits or community leadership, these successes reflect the dedication, resilience and spirit that are such important parts of Campbelltown.

As we head toward the end of another year, I'd like to thank everyone who contributes to making our city a safe, sustainable and vibrant community. Wishing you and your families a safe and happy festive season.

Mayor Jill Whittaker OAM

Community Stories

Athelstone swimmer Brittany wins gold

Athelstone's own Brittany Castelluzzo has made her community proud after winning gold in the 200m butterfly at both the 2026

Commonwealth Games in July and the 2026 Pan Pacific Championships in August.

Brittany trained with the Tea Tree Gully Swim Club at The ARC Campbelltown, developing the skills and determination that shaped her success. Today, she trains with the South Australian Sports Institute (SASI) under coach Craig Stewart.

Her achievements reflect years of dedication, hard work and perseverance. Congratulations to Brittany on this remarkable and well-deserved success.

Joining generations

Inspired by the ABC series *Old People's Home for Teenagers*, the Joining Generations program brings together older Campbelltown residents and Charles Campbell College students to build meaningful connections and learn from one another.

This valued partnership between Council, Charles Campbell College, ACH Group, Community Housing Limited and Adelaide University, is led by local Magill resident and retired principal Brian Harris and pastoral care worker Katie Rogers.

Congratulations to everyone involved in the successful completion of the program.
