

NEIGHBOUR DAY GATHERING, MAGILL

SUNDAY 24 MARCH, 2024

Neighbour Day is Australia's yearly celebration of community, focusing on strengthening connections with our neighbours. In 2024, Campbelltown Council supported residents to host their own Neighbour Day Gatherings.

This is their story.

Our Neighbour Day gathering was a 'raging success' and we are keen to do it again!

We had a great time and it was lovely to see people who hadn't really talked to each other before come out and join in. We had neighbours from different cultures come - one family from South Africa and an Iranian family who even brought out their Iranian BBQ.

The young kids really connected through sports and games in the streets. This was great for adults too because it helped bring people out of their shells and mix with others.

We are lucky because we have a little car park in the middle of our cul-de-sac which became our focal point. But you could use a nearby park or even someones front yard and drive way - you just need a shared space to come together.

"What I have taken from it is the enthusiasm and the neighbourliness it has created!"
