Small Business Friendly Council Initiative Charter Agreement

Campbelltown City Council is committed to supporting our local small business community through the Small Business Friendly Council Initiative by:

- recognising the small business community as an important stakeholder and consulting regularly with it
- understanding how small businesses operate and their needs, goals and key challenges
- providing clear and concise service standards, which set out what we will do to support local small business
- taking reasonable action to limit unnecessary administrative burdens
- reviewing our policies to check for 'small business friendliness' on a regular basis
- implementing activities to improve the operating environment for small business within our area
- establishing a business advisory group to assist us in understanding the needs of local small business
- implementing a procurement policy which recognises that local small business is a significant contributor to economic development in our area
- ensuring prompt payment of small business invoices
- managing disputes in a timely and cost effective manner
