

PET WASTE

FACTS FOR FOGO

Compostable dog poo bags are supplied in all of Campbelltown City Council's parks and reserves.

PET POO

You can dispose of pet waste in a compostable bag, wrap it in newspaper, or put it directly into the green FOGO bin. Make sure any bag you use has a compostable certification.

WHICH KITTY LITTER TYPES ARE OK TO GO-GO IN FOGO?

Certified compostable brands as well as brands made from 100% plant materials such as:

- ✓ Recycled paper
- ✓ Walnut husk
- ✓ Coconut fibre
- ✓ Sawdust or wood fibres
- ✓ Soy or tofu

Clay, silica and crystal cat litter goes in the blue landfill bin as it can't be composted.
